EXCLUSIVE CLEVELAND ART MUSEUM EXHIBIT: *Eyewitness Views!*

Eyewitness Views is the first-ever exhibition focusing on views of historic events in the eighteenth century and includes over 50 works (several from Italian artists and of Italian subjects), many never seen before in America. During this golden age of view painting, princes, popes, and ambassadors commissioned artists such as Canaletto and Panini to record memorable moments ranging from the Venetian carnival to an eruption of Vesuvius.

These historical occasions motivated some of the greatest artists of the era to produce their most exceptional work.

Eyewitness Views: Making History in Eighteenth-Century Europe on view from February 25-May 20, 2018. The presenting sponsor of this exhibit is credited to, our chairman, Lorraine Dodero, benefactor from The Sam J. Frankino Foundation. Two separate private tours have been reserved for this wonderful exhibit just for our Patron Members. Each tour can accommodate 30 guests and will be offered on the evening of March 14th and March 21st. Both tours will start at 6pm. Tickets are limited and will be on a first come-first served basis. Please contact Denise Jasko, at the Patrons office to reserve your ticket, 440.498.1300 ext. 102
